FREE BUSINESS DIRECTORY LISTING

The Municipality of Meaford is creating a free online business directory. This directory will create more exposure for local businesses, local professionals and local community assets (such as Meaford Hall) and give an opportunity for organizations in Meaford to introduce themselves to the public, making them more visible and accessible to customers.

To create this internet directory, we require detailed information from the organizations in the municipality. Please fill out the information below and email / fax / send it back to the Municipality by September 2009.
