

Notice of Construction

Structure BR-069 Replacement (7th Line)

August 18, 2025

Dear Property Owner/Resident,

The Municipality of Meaford is undertaking a construction project in your area. We would like to share the following information regarding the project and how it may impact you.

Project Details

Location:	Structure BR-069 located on 7th Line between 4 Sideroad and Euphrasia-St. Vincent Townline
Schedule:	Anticipated Start: September 8, 2025 Estimated Completion: October 31, 2025
Scope:	Removal and replacement of concrete structure with a new concrete structure
Contractor:	Cox Construction Limited

How will the project impact you?

Road Access:	The 7th Line will be closed at the bridge and alternative routes must be used for all through traffic, Residents will continue to be able to access their properties. Do not park on the road.
Noise:	Residents and property owners should expect some noise during construction times.
Waste Collection:	Please place your waste at the curb by 7 a.m., as collection times may vary during construction. Bins may be moved by the contractor, so please label them to ensure they are returned to you.
Dust:	Residents and property owners should expect dusty conditions during some construction activities however efforts will be made to reduce dust as much as possible.
Vibration:	The possibility of vibrations due to compaction equipment during construction is not anticipated to be significant but residents should protect valuables that may be susceptible to damage as a result of vibration.

Notice of Construction

Structure BR-069 Replacement (7th Line)

How You Can Help

- Plan Ahead:** The 7th line will be closed near the structure. Consider adjusting travel plans during this time and allow extra time for delays.
- Drive with Caution:** When the road is open, please drive slowly through the construction zone and watch for workers and equipment.
- On-Street Parking:** Avoid parking on the road within the construction area during active work hours to allow equipment and crews to operate safely and efficiently.

Thank you in advance for your co-operation.
